## Majority Signals Go-Ahead for New Hall

**The all-day Drop-In session organised by the Village Hall Committee produced a majority vote for continuing with work on the new hall project.**

Organised by Elaine Smith, Chairman of the Steering Committee, which has worked for 5 years on this idea, the occasion attracted 47% of the voting-age population of the village. Many brought their children, and many stayed for at least an hour. They pored over Elaine's information display boards, and they took the opportunity to quiz Elaine, William Skinner and Roy Leverton, who represented the Steering Committee.

There was good feed-back and appreciation of the format adopted, says Elaine. Interesting suggestions were made, with comments homing-in on cost, security, drainage, design, changing rooms/toilets and the matter of viability once a new hall is up and running.

Many of these comments were made in writing and will be studied as part of the decisions now to be made. Armed with up-to-date information on the project, people voted. There were 48 in favour of continuing with work on the new hall; 28 said attention should be transferred back to the present site on the Nookin Bank. Thirteen were keen for work to continue regardless of which site was used.

## Steering Committee Wound Up

In spite of the majority support offered by village voters for their work, the New Village Hall Steering Committee has been wound up. Key members, Elaine Smith and William Skinner, are drained after their five years committee work, and understandably think it is someone else's turn to get to grips with the job. Elaine and William are looking forward to having time to devote to other interests. Dr David Wilkinson has left Husthwaite, and Andrew James plans to do so soon.

John Goddard has resigned as Chairman of the Village Hall Committee.

## Village Hall

### Husthwaite at its Best for Christmas Fair

**Jubilee Queen Sophie brought her reign to an end when she opened the Christmas Fair in the Village Hall.**

It was a very successful occasion, reports Adrienne Newton, Chairman of the Village Hall Committee. Husthwaite was on top form again. The village gave us a lot of support in the form of raffle and tombola prizes and by turning up in large numbers. We had plenty of helpers getting the occasion set up, and there was a lovely Christmas atmosphere.

Jennie Sheepy and Anne Dowson ran the kitchen. Mulled wine was served by John and Rose Lawrance and Charlie Whenman. There was a good variety of Christmas stalls manned by village organisations. Katy Whenman and Sophie Lawrance occupied the young ones with a card-making stall. The Whenman family blushed when the Name-the-Teddy Bear was won by their son Adam. The main raffle prize of 100 was won by Lara Williamson, grand daughter of John and Joan and Roy and Sue Levertons. When the Phoenix Choir arrived, beautifully singing their carols, they brought Father Christmas in with them. He had a fine time Ho-hoing and passing out sweets. Husthwaite's party was the best I've been to this Christmas, he said.

Jenny Price meets Father Christmas  
**Toddlers Group**

Lynn Collins reports that the Toddlers Group, who have used the Village Hall for many years are taking a break.

We have had lots of children attending over the years, says Lynn, but now numbers have fallen, and I am sorry it has to cease. I would like to thank everyone who has supported and helped us to raise funds to buy new toys, baked cakes and painted the Village Hall. If anyone is interested in attending again, get in touch.

Lynn has been associated with the group for a number of years, taking over from Sue Benn. Contact her on 868655.

### Millennium Volunteers in Hambleton

Keeley Metcalfe

Project Fieldworker for Millennium Volunteers in Hambleton

**Are you aged 16-24? Do you enjoy meeting people and trying new things? Would you like to gain new skills, experience and confidence while having fun?**

Millennium Volunteers is a national initiative to provide opportunities for 16-24 year olds to volunteer their time for the benefit of others. There is a vast range of activities to take part in to suit your own interests and it will offer the opportunity to develop new skills. This is an ideal way to enhance your experiences and prove yourself, especially if you are applying for college/ university or thinking about a career change.

MV has been running in Northallerton for the past three years and has recently expanded to cover the whole of the Hambleton District. In the past MVs based

in Northallerton have been involved in: sports coaching, conservation, fundraising activities for charity e.g. village events or sponsored activities, amateur dramatic groups, musical bands, Guide, Brownie and Scout

leaders and much more!

The aim is for you to complete either 100 hours, which will gain an Award of Merit, or 200 hours, which will achieve an Award of Excellence signed by the

Secretary of State for Education and Skills, in the period of 12 months.

**Husthwaite Girls in Easingwold Play**  
We'd like to hear from you if you are already volunteering or if you are interested in joining MV. If you have any questions, please contact either Mary or Keeley on 01609 773340 Ext 229 or email us at: millvol@northallertoncoll.org.uk

**April's production by the Easingwold Players will cast two Husthwaite girls.**  
*The Crucible* by Arthur Miller tells the story of the Salem witches. The girls of an American village worked themselves into mass hysteria which only died down when 20 respectable community members had been hanged.

Katy Whenman as Betty Parris and Molly Hill as Mercy Lewis are in the action from the beginning. Both girls appeared in the stunning Christmas production of *The Wind in the Willows*. *The Crucible* is a GCSE set text this summer, giving an opportunity for Year 11 girls to boost their exam preparation..

 C.L. Fred Pickson

**For a long time he didnt know whose idea it was to propose him for this prestigious honour.**  
 Husthwaite! I exclaimed. Where the Hellifield is Husthwaite? I asked my son, who was coming, with his family, to live in the village. Soon after he I expect somebody will tell me soon, he told the newsmen. moved from the industrial West Riding, we came to stay for a few days at a time. He was right, wasnt he? But what an achievement by the Coxwoldshire community, all those villages, 500 houses at which he delivers! Nobody ago. give the game away in advance, even though so many supporting signatures had been collected. From a land of dark satanic mills, where I had lived for over 70 years, except for going away to university and nearly four years modestly helping to defeat signatures had been collected. **It was hardly odd of his news letter to let the range of the bag, nearly 60,000 inhabitants for a village of 400. What are your impressions of the change?** He is absolutely delighted that they...
