A Big Thank You to everyone who gave so generously during Christian Aid Week this year. Husthwaite raised 838.50, which was a slight increase on last year.

**Open Gardens**
Pippa Bailey
A good idea in theory, but in practice we do need a few offers from people (about 6 minimum) to have their garden open, please! If you're worried about dates, I feel one of the first two weekends in June would be best, and if you think you might be away we could always find someone to garden sit so that there's always someone there. A big thank you to those who have offered their help on the day already. I hope to hear from you - 868629.
